

ELCT-IM16-0001

Order number: 78310001

Quick Info

EtherCAT remote I/O module
Integrated Ethernet Switch
Support 100Base-TX
Protection classes IP67
Copper-plated nickel connector
Fully potted module electronics
Glass fiber housing

Specifications Download Accessories

Mounting specifications	
Supply voltage	24VDC±10%
Operating current	< 200mA
Number of input channels	16
Input type	PNP
Voltage switch threshold	9.2V/10.4V
Input standard type	IEC 61131-2 Type 3
Input delay	3ms
Switch threshold	2.2mA
electrical Isolation mode	Optocoupler isolation
